French steel-cut beads, mother-of-pearl buttons, spools of vintage ribbons . . . This exquisite book showcases the decorative bits flea-market hunters dream of. Hundreds of photos reveal rare European notions from the craft community's most beloved emporium, Tinsel Trading Company. With these vintage baubles as her inspiration, Kaari Meng shares projects that crafters can make with their own flea-market finds or with contemporary materials they have on hand: a button charm bracelet, whimsical petite prize medals, an heirloom-worthy memory book, shimmering handbags, and more. Kaari's colorful inspiration boards lend design guidance, while her tips and resources help notion-lovers build up their stash of treasures.
