La dulce muerte (Spanish Edition) Enrique Gloffka

Las tragedias reales tardan en ser procesadas por la literatura. La marca que dejan en el inconsciente colectivo se vuelve demasiado pesada, difícil de abordar. La llamada «Tragedia de Antuco» es uno de esos casos que quedan en la memoria y pesan. Allí murieron, bajo la nieve, 45 soldados chilenos. A pesar del tiempo transcurrido, la historia parecía resistirse a ser contada, ya no solo como el detalle de los hechos sino como un relato, una ficción dolorosa.

Con inusual maestría, el autor asume el desafío y construye en esta novela algo más que una crónica sobre un momento desgraciado. Apela a un conocimiento verdadero de lo que ocurrió pero, sobre todo de la idiosincrasia de los involucrados y, finalmente, de la naturaleza humana, para construir una historia que toma las voces de los protagonistas, su esencia personal y las escenas que sobrevuelan la vida de soldados y oficiales enfrentados con circunstancias imprevistas. Las voces de los personajes, sus pensamientos y sentimientos se mezclan en una trama envolvente que, aunque con final conocido, deja espacio tanto para la sorpresa como para el dramatismo que otorga a lo narrado una densidad difícil de borrar de la memoria.
