WEST TO DANGER

They were a strange trio—the lieutenant, the scout and the red-haired woman. Part of a peace-making U.S. Army expedition, they fought their way west, battling the fury of a savage Indian mad-man—then they had to survive their trek back through even greater dangers.

Their harrowing journey was part of the legendary first assignment of the 1st Regiment of United States Dragoons, the "horse soldiers" whose origins marked the birth of the most famous mounted fighting force in history—the U.S. Cavalry.

Try to pick one book that you just dont know the inside because don't determine book by its protect may doesn't work this is difficult job because you are frightened that the inside maybe not as fantastic as in the outside look likes. Maybe you answer might be Mission to the West why because the fantastic cover that make you consider in regards to the content will not disappoint a person. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

Joseph Langley:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Mission to the West can make you sense more interested to read.
