**Places No One Knows** Brenna Yovanoff

**A good girl dreams herself into a bad boy's room in this lyrically romantic novel by a bestselling author from which Maggie Stiefvater, author of *The Raven King*, says she "woke up satisfied."**

Waverly Camdenmar spends her nights running until she can't even think. Then the sun comes up, life goes on, and Waverly goes back to her perfectly hateful best friend, her perfectly dull classes, and the tiny, nagging suspicion that there's more to life than student council and GPAs.

Marshall Holt is a loser. He drinks on school nights and gets stoned in the park. He is at risk of not graduating, he does not care, he is no one. He is not even close to being in Waverly's world.

But then one night Waverly falls asleep and dreams herself into Marshall's bedroom—and when the sun comes up, nothing in her life can ever be the same. In Waverly's dreams, the rules have changed. But in her days, she'll have to decide if it's worth losing everything for a boy who barely exists.

**"A tightly woven, luminously written novel** that captures the uncertain nature of high school and the difficult path of self-discovery." —*Booklist*, Starred

"Waverly and Marshall burn brightly . . . both refreshingly flawed as they come into their own. Readers will forgo sleep themselves to witness their vibrant, aching real story unfold. **A brilliant romance.**" —*Kirkus Reviews*, Starred

**"Yovanoff offers a multilayered exploration of human connections,** particularly those that manifest in unpredictable ways." —*Publishers Weekly*, Starred

**"Dark fiction with a hint of magic."** —*SLJ*

"Yovanoff takes readers on a deep and dark path with characters to hope for. . . . **A great read, containing insights, humor and a shocking twist** to the typical high-school romance story." —*Romantic Times*

"A bold and affecting novel about love and belonging. Everything about this book was **achingly real, beautifully true and ultimately unforgettable.** Read it." —Courtney Summers, author of *All the Rage*

**"Addictive and ridiculously romantic.** I fell in love along with Waverly and Marshall." —Kara Thomas, author of *The Darkest Corners*

*From the Hardcover edition.*

#### Thomas Morgan:

Is it anyone who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Places No One Knows can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

#### Ashley Johnson:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Places No One Knows can make you truly feel more interested to read.
