PRAXIS DE LA ESPERANZA (Spanish Edition)

PRAXIS DE LA ESPERANZA (Spanish Edition)

"Este libro es una reflexión desde la experiencia que plantea alternativas de educación más allá de la escuela, de empleo más allá del trabajo asalariado y los cambios del mercado laboral. Es otra forma de emprender en una economía social y solidaria, campos del compromiso de Daniel Jover a lo largo de treinta años. A modo de ensayo impresionista, y uniendo la opción personal-profesional, denuncia el falso dilema entre realidad y utopía, porque las fronteras de lo posible se revelan nuevas dimensiones de la realidad que no habíamos sospechado. Es una apuesta para situar las políticas de educación y empleo al servicio de los derechos humanos y la ética de la igualdad. El autor relata experiencias desarrolladas con sus maestros amigos (Josep Maria Rueda, Joan N. García-Nieto y Paulo Freire), en las que pone de relieve la centralidad de la alegría de vivir cooperando y trabajando por la justicia de un mundo mejor, donde pensar y trabajar ya no pueden ser considerados como ámbitos separados que legitiman la división social y funcional del trabajo. Este libro es fruto del sueño de humanizar la humanidad. Daniel Jover es socio-fundador del Equipo PROMOCIONS, miembro del Centro de Estudios Cristianismo y Justicia, del Instituto Paulo Freire y de la Red de Economía Solidaria. Ha publicado Empleo juvenil (2005), La formación ocupacional (1990) y Trabajar para vivir (1999
