The Dark Light

Sara Walsh

The Dark Light Sara Walsh

Mia is torn between two worlds in this epic, “intriguing fantasy adventure” (*Publishers Weekly*).

Mysterious lights have flickered above Crownsville for as long as Mia can remember. And as far as she’s concerned, that’s about the only interesting thing to happen in her small town.

That is, until Sol arrives. Mia’s not one to fall for just any guy, but she can’t get Sol—or the brilliant tattoo on his back—out of her mind.

Then Mia’s brother goes missing, and Mia’s convinced that Sol knows more than he’s sharing. But getting closer to Sol means reevaluating everything Mia once believed to be true. Because Sol’s not who Mia thought he was—and neither is she.
