Anyone for tea and crumpets . . . and murder?

Caro Lamont, amateur sleuth and well-respected animal therapist to Laguna Beach's pampered pets, works with office mate and tech wizard, Graham Cash, whose beloved Scottish Fold tabby cat, Toria, is purported to have anger management issues. But when Caro drops by the charming Brit's Tudor-inspired mansion to return Toria, she finds his business partner dead and Cash missing.

Caro is left with the cuddly cat and a lot of unanswered questions. Is Cash the killer, or has he been kidnapped? What's up with the angry next door neighbor? And what about Cash's girlfriend, Heidi, who isn't sharing everything she knows with homicide detective Judd Malone?

Suddenly there are more secrets and intrigues than there are titles in England. Add in a stranger in a dark SUV stalking Caro, feisty senior sidekick, Betty, hiding in restaurant shrubbery, and wannabe investigative reporter Callum MacAvoy who seems to be constantly underfoot, and you've got a cat and mouse mystery of the first order.

Caro's got to solve this murder before the killer lets the cat out of the bag.

Sparkle Abbey is the pseudonym of two mystery authors (Mary Lee Woods and Anita Carter). They are friends and neighbors as well as co-writers of the Pampered Pets Mystery Series. The pen name was created by combining the names of their rescue pets--Sparkle (Mary Lee's cat) and Abbey (Anita's dog). They reside in central Iowa, but if they could write anywhere, you would find them on the beach with their laptops and, depending on the time of day, with either an iced tea or a margarita. Visit them at [sparkleabbey.com](http://sparkleabbey.com).
