Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) Andrei Marmor, Scott Soames

This collection brings together the best contemporary philosophical work in the area of intersection between philosophy of language and the law. Some of the contributors are philosophers of language who are interested in applying advances in philosophy of language to legal issues, and some of the participants are philosophers of law who are interested in applying insights and theories from philosophy of language to their work on the nature of law and legal

interpretation. By making this body of recent work available in a single volume, readers will gain both a general overview of the various interactions between language and law, and also detailed analyses of particular areas in which this interaction is manifest.

The contributions to this volume are grouped under three main general areas: The first area concerns a critical assessment, in light of recent advances in philosophy of language, of the foundational role of language in understanding the nature of law itself. The second main area concerns a number of ways in which an understanding of language can resolve some of the issues prevalent in legal interpretation, such as the various ways in which semantic content can differ from law's assertive content; the contribution of presuppositions and pragmatic implicatures in understanding what the law conveys; the role of vagueness in legal language, for example. The third general topic concerns the role of language in the context of particular legal doctrines and legal solutions to practical problems, such as the legal definitions of inchoate crimes, the legal definition of torture, or the contractual doctrines concerning default rules.

Together, these three key issues cover a wide range of philosophical interests in law that can be elucidated by a better understanding of language and linguistic communication.

From reader reviews:

Betty Ahlstrom:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yep, by reading a publication your ability to survive enhances then having a chance to stand than other is high. For yourself who want to start reading any book, we give you this particular Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) book as basic and daily reading publication. Why, because this book is more than just a book.

Robert Arnett:

Reading a book being new life style in this 12 months; every people loves to examine a book. When you go through a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, since book has a lot of information in it. The information that you will get depends on what types of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, such as novel, comics, as well as soon. The Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) offer you a new experience in reading a book.

Tammy Medina:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore, this Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) can make you truly feel more interested to read.

Ruth Paiz:

Some people said that they feel bored when they reading a guide. They are directly felt it when they get a half regions of the book. You can choose often the book Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) to make your current reading is interesting. Your skill of reading skill is developing when you like reading. Try to choose very simple book to make you enjoy to study it and mingle the feeling about book and studying especially. It is to be very first opinion for you to like to wide open a book and go through it. Beside that the reserve Philosophical Foundations of Language in the Law (Philosophical Foundations of Law) can be your brand new friend when you're truly feel alone and

confuse in what must you're doing of that time.
