Essay from the year 2011 in the subject History - Africa, Ahmadu Bello University, course: HISTORY, language: English, abstract: One of the neglected themes of the history of Katsina emirate, was the contribution of the Christian Missionaries to the socio-economic development of the emirate. This is true because early attempts by Christian missionaries to introduce Christianity into Katsina emirate were not accorded serious attention. Likewise in the colonial period, when the Missionaries succeeded in establishing their stations in various parts of the emirate their activities were almost overlooked by researchers and writers. This paper appreciates the nature and the significance of the Christian Missionary activities in Katsina emirate in the pre-colonial and colonial periods.
