## Contemporary Islam: Dynamic, not Static

*Contemporary Islam* provides a counterweight to the prevailing opinions of Islamic thought as conservative and static with a preference for violence over dialogue. It gathers together a collection of eminent scholars from around the world who tackle issues such as intellectual pluralism, gender, the ethics of political participation, human rights, non-violence and religious harmony. This is a highly topical and important study which gives a progressive outlook for Islam's role in modern politics and society.
