Søren Kierkegaard

**Kierkegaard's Writings, X: Three Discourses on Imagined Occasions** Søren Kierkegaard

*Three Discourses on Imagined Occasions* was the last of seven works signed by Kierkegaard and published simultaneously with an anonymously authored companion piece. *Imagined Occasions* both complements and stands in contrast to Kierkegaard's pseudonymously published *Stages on Life's Way*.

The two volumes not only have a chronological relation but treat some of the same distinct themes. The first of the three discourses, "On the Occasion of a Confession," centers on stillness, wonder, and one's search for God--in contrast to the speechmaking on erotic love in "In Vino Veritas," part one of *Stages*. The second discourse, "On the Occasion of a Wedding," complements the second part of *Stages*, in which Judge William delivers a panegyric on marriage. The third discourse, "At a Graveside," sharpens the ethical and religious earnestness implicit in *Stages*'s "'Guilty'/'Not Guilty'" and completes this collection.
