## Love's Bonfire Tom Paulin

Tom Paulin's first collection since *The Road to Inver* in 2004, *Love's Bonfire* sets poems about early life and marriage beside up-to-the minute and minutely registered perceptions of post-settlement Ireland. At the book's centre are delicately inward versions of the contemporary Palestinian poet Walid Khazendar, which resonate with the proximity of other lives, other exiles and destinies, as of an autobiography by other means.
