An Introduction to Christian Ethics: Goals, Duties, and Virtues

Robin W. Lovin

An Introduction to Christian Ethics: Goals, Duties, and Virtues Robin W. Lovin

A few years ago, the first distinction that ethicists drew was the line between Christian ethics and philosophical ethics. However, in our global context, Christian ethicists must now, in addition, compare and contrast various ethics. Christian ethics has become increasingly multivocal not only because of a plurality of faiths but also because of a plurality of Christianities.

In light of these new realities, this book will introduce Christian ethics. It will lay out history, methods, and basic principles every student must know. The author also will include case studies for further explanation and application.
