Rebel without a home!

Being a traveling nurse suits Rebel Taylor just fine—no ties, no relationships, no dating! With the Huntington's gene in her family, what can she possibly offer a guy anyway? But Duncan McFee, Albuquerque's hottest and most single doc, disagrees.

He's determined to tempt this stunning, wonderful woman—and when he does, her story is enough to make him risk his own heart. He can give her all the love and family she could want. All he needs to do is persuade Rebel!
