[Siren Menage Everlasting: Erotic Paranormal Menage a Trois Romance, M/F/M, shape-shifters, HEA]

Bailey Knox knew the good price she paid for her new bar came with consequences, but she didn't count on nearly getting killed before she could even move into the place, which was also her new home. Waking up to the two complete strangers who have saved her, she's alarmed at her overwhelming response to both of them. Marcus Brand and James Archer are different from any men she's ever met, but she didn't realize how different. Shape-shifters don't exist. Then they tell her something even more remarkable. She is their mate. She fights the emotional pull, even while reveling in the passion that only seems to grow stronger, passion that just can't be ignored. Neither can the attacks. When black panthers save her life once again, the trio must hide the truth from the rest of the world while struggling to come to grips with their own destiny—and overcoming the danger surrounding them. Note: There is no sexual relationship or touching for titillation between or among the men. ** A Siren Erotic Romance
