## Secrets Lynn Crandall

With her penchant for premonitions, Michelle Slade has always had trouble connecting with other people, and a horrific attack five years ago only made her isolation worse. But working to help defenseless animals with her rescue organization, Cats Alive, has given her new purpose and joy in life. When several homeless cats start vanishing into thin air, she's determined to get to the bottom of this mystery.

Casey Mitchell has always kept his private identity as a were-lynx secret. But he's drawn to Michelle, and when he begins to help investigate the odd circumstances surrounding the cats' disappearance, he uncovers a powerful businessman's diabolic designs on the unassuming woman.

Now both he and Michelle are in grave danger, and their survival depends on trusting each other with secrets better left unspoken. Will these two lonely souls triumph and find true love . . . or lose everything?
