Hinestrosa Fernando

Tratado de las obligaciones. Concepto, Estructura, Vicisitudes. Tomo I (Spanish Edition) Hinestrosa Fernando

Concebida esta obra principalmente para el servicio de los estudiantes, quienes se inician en el conocimiento de una materia de suyo vasta y abstracta, el autor ha considerado aconsejable procurar la mayor precisión de los conceptos y figuras, dentro de una combinación indispensable de la doctrina con la normatividad y los hechos vitales regulados por ésta, con el cuidado de relacionar, por honestidad y a título de orientación, las obras y la jurisprudencia más relevantes y mayormente consultadas desde la elaboración inicial del trabajo hasta las posteriores, con incorporación de pasajes, a fin de facilitar al lector el acceso al pensamiento ajeno: siempre he querido compartir esos hallazgos y difundir su conocimiento. Todo con el propósito de estimular el empeño de clarificar y profundizar la noticia y la reflexión sobre una materia fundamental para la formación del profesional del derecho, que luego de precisada la noción de la relación obligatoria debe estudiar los distintos aspectos y formas que puede presentar dicho vínculo, cualquiera que sea el fenómeno que le haya dado origen, como también las modificaciones que puede experimentar, prescindiendo por entero de su fuente; para más adelante profundizar en los pormenores de las distintas fuentes y desentrañar la experiencia y el porvenir de su funcionamiento.
