IN THE NAME OF VENGEANCE!

The Bank of California in the 1860s is a powerful company that pays its mine workers very little and will not tolerate strikes, sending in vicious strikebreakers to beat down any opposition. When Major Mark Dorne's father is murdered by strikebreakers, he begins a one-man war against the bank, always leaving behind his calling card—a small silver coin. Now the Major is ready for his most daring attack yet, the theft of 7ve million dollars in gold coins from the Bank of California, from under the noses of the Wells Fargo guards. But his enemies are aware of his plans and have devised a foolproof way to stop this war once and for all!
