The Resurrection of God Incarnate

Richard Swinburne

The Resurrection of God Incarnate Richard Swinburne

Whether or not Jesus rose bodily from the dead is perhaps the most critical and contentious issue in the study of Christianity. Until now, scholars have concentrated on explicit statements in the New Testament to support their views, but Richard Swinburne argues for a wider approach, asking instead whether the character of God and the life of Jesus support the probability of the Resurrection. His book will be of great interest not only to academics but to anyone with an interest in religious philosophy and doctrine.
