## **Be Not Afraid!: Building Your Church on Faith and Knowledge** Frederic M. Roberts

In this in-depth study of eight diverse mainline Protestant congregations, anthropologist Fredric Roberts finds that when local congregations are evaluated by spiritual and religious standards instead of corporate- or pop-culture-based values there remains much to celebrate. Roberts recommends that congregations work to discover their own uniqueness and to build upon the strength that already exist among its own members. *Be Not Afraid!* is a guide to help congregations rediscover their true calling to be nurturing faith communities, committed to spreading the good news and making disciples.
