Ensayos II (Spanish Edition)

Michel De Montaigne

Ensayos II (Spanish Edition) Michel De Montaigne

Montaigne inicia la redacción de esta obra que le ocupará hasta la fecha de su muerte en 1592. Dos años antes había vendido su puesto como Consejero del Parlamento de Burdeos para retirarse a su castillo en el Périgord. No será la redacción de los Ensayos la única ocupación que tenga, ya que a la vez que administra sus posesiones Montaigne participa como noble católico en alguno de los episodios militares o políticos de las Guerras de religión de Francia. Viaja, desempeña en varias ocasiones el cargo de alcalde de Burdeos, y también hace de intermediario entre el rey Enrique III y el jefe protestante Enrique de Navarra (futuro Enrique IV). Los Ensayos se alimentan tanto de esta experiencia como de sus lecturas de humanista "jubilado" en su "biblioteca" de la torre de su residencia. Montaigne publica los libros I y II en Burdeos en 1580, y luego los completa y adjunta un tercer libro en la edición parisina de 1588. Continúa luego ampliando su texto de cara a una nueva edición. De ese trabajo han quedado dos testigos a veces divergentes: un ejemplar de los Ensayos plagado de correcciones manuscritas del propio Montaigne (el llamado ejemplar de Burdeos) y la edición póstuma de 1595.
