Planet Reese

Cordelia Strube

Planet Reese Cordelia Strube

Long-listed for the ReLit Award, 2009

Reese Larkin is desperate to find the perfect mattress. His job is in jeopardy and he's been forced to separate from his wife and children, but he believes that if he can find the ultimate sleep system his life will begin anew.

In her seventh novel, Cordelia Strube grabs readers by the neuroses with a dark but wickedly fun story about a former Greenpeace activist forced to turn marketeer who battles against a world in which he is confronted by shift mattress sales clerks, a Fred and Ginger-obsessed strip-bar waitress, derisive colleagues, and a wife who has mysteriously turned cold and is keeping his children from him. Alone in his damp basement apartment with his daughter's hamster, he longs for a good night's sleep and, though faced with despair, begins each day hopefully as he grips tighter to the edges of his life.

Engaging, enlightening, and always entertaining, *Planet Reese* is an intensely personal and endearing tale of a man holding on to his sanity against all odds in an increasingly unhinged world.

From reader reviews:

Kimberly Langdon:

Book is actually written, printed, or descriptive for everything. You can realize everything you want by a guide. Book has a different type. As we know that book is important issue to bring us around the world. Alongside that you can your reading ability was fluently. A book Planet Reese will make you to end up being smarter. You can feel considerably more confidence if you can know about anything. But some of you think that open or reading the book make you bored. It is not make you fun. Why they can be thought like that? Have you looking for best book or appropriate book with you?

Todd Goff:

The reason? Because this Planet Reese is an unordinary book that the inside of the book waiting for you to snap it but latter it will jolt you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Robert Stitt:

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind expertise or thinking skill actually analytical thinking? Then you have problem with the book as compared to can satisfy your limited time to read it because this all time you only find book that need more time to be read. Planet Reese can be your answer since it can be read by anyone who have those short time problems.

Joyce Williams:

This Planet Reese is fresh way for you who has fascination to look for some information as it relief your hunger details. Getting deeper you upon it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Planet Reese can be the light food in your case because the information inside this particular book is easy to get simply by anyone. These books produce itself in the form that is certainly reachable by anyone, yeah I mean in the e-book web form. People who think that in guide form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a guide especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book kind for your better life in addition to knowledge.
