The Gospel of the Witches

Charles G. Leland

The Gospel of the Witches Charles G. Leland

For brief explanation I may say that witch craft is known to its votaries as la vecchia religione, or the old religion, of which Diana is the Goddess, her daughter Aradia (or Herodias) the female Messiah, and that this little work sets forth how the latter was born, came down to earth, established witches and witchcraft, and then returned to heaven. With it are given the ceremonies and invocations or incantations to be addressed to Diana and Aradia, the exorcism of Cain, and the spells of the holy-stone, rue, and verbena, constituting, as the text declares, the regular church-service, so to speak, which is to be chanted or pronounced at the witch-meetings. There are also included the very curious incantations or benedictions of the honey, meal, and salt, or cakes of the witch-supper, which is curiously classical, and evidently a relic of the Roman Mysteries.
