By Day, By Night Amy Gibson

This lyrical ode to humanity celebrates people all around the world as they do the same things in different ways, from morning to night: as we're carried first, then toddle, then walk; as we learn to read and explore new worlds; as we wish or dream, laugh or cry, or even wonder why. This universal picture book is as profound as it is simple. A beautiful sentiment to share at story time or bedtime, this book will touch children and adults alike.
