Sometimes I liked to imagine, just for a second, that I was plain old Evelyn with nothing better to do in the morning than lie here with her man.

But that's not how it was. That's not who we were...

Evelyn Brighton and Daniel Summers are demon hunters, and they wouldn't have it any other way. Or would they, given the choice again?

Los Angeles is crawling with demons in disguise, and Evelyn and Daniel are a dynamic and fearless demon-slaying duo. Under the authority of Lebriga Corporation and protection of their Divinity blades, this duo has never felt more ass-kicking against evil or more in love with each other. But something is rotten in the state of home demonstration parties—and it's not because a seal's broken in the Tupperware. Beautiful Illuminations is the latest rage in home-consulting cosmetics, founded by Annabelle Simmons. But beneath the layers of makeup and human flesh lurks Anabael, a disembodied Spectoral demon that inhabits people and steals their physical form. To a spirit like that, an ageless demon hunter has a body to die for.

And Evelyn just might.

As Lebriga battles Anabael mind, body, and soul, Evelyn and Daniel must draw on the strength of their relationship to win the war against the Spectoral menace. But what if winning the war means losing their love?
