## **Global Talent Management (Global HRM)** Hugh Scullion, David Collings

This book draws on recent theoretical contributions in the area of global talent management and presents an up to date and critical review of the key issues which MNEs face. Beyond exploring some key overarching issues in global talent management the book discusses the key emerging issue around global talent management in key economies such as China, India, the Middle East and Eastern Europe.

In contrast to many of the currently available texts in the area of global talent management which are descriptive and lacking theoretical rigor, this text emphasizes the critical understanding of global talent management in an organizational context. Drawing on contributions from the leading figures in the field, it will aid students, practitioners and researchers alike in gaining a well grounded and critical overview of the key issues surrounding global talent management from a theoretical and practical perspective.
