Angel Dust Sarah Mussi

An urban ROMEO AND JULIET with a paranormal twist

Would you move heaven and earth for the one you love?

ANGEL DUST is a powerful, gritty and utterly modern tragic love story with a twist. When Serafina, the brightest and most beloved of all God's angels, is sent to collect Marcus Montague - "the original badman" - and take him to Hell, she finds herself powerfully drawn to him and makes a decision that places her in the middle of a war between Heaven and Hell. Can Serafina fall in love without falling from grace? Can Marcus's soul be saved? And just who is the mysterious and ever-so-helpful stranger Larry?

Sarah Mussi asks pertinent questions about free will, morality and how far is too far when it comes to love, making ANGEL DUST a must-read for YA readers who want more than the usual from their paranormal romance.
