**Building Society Industry (RLE Banking & Finance) (Routledge Library Editions: Banking & Finance)** Mark J Boleat

In this book which has become the standard work on building societies, the author takes into account both economic and regulatory changes which took place in the late 1970s and early 1980s.

The book is aimed primarily at students in the industry, and also those undertaking relevant undergraduate and postgraduate courses at university. In addition, this book will be invaluable to those working inside the building society industry and to those organizations which come into contact with societies.
