## Covenant with the Vampire (Diaries of the Family Dracul Book 1) Jeanne Kalogridis

A sensual, terrifying, incredibly accomplished first novel, this fascinating prequel to the classic and most popular horror novel of all time, *Dracula*, focuses on Dracula's great-nephew, who inherits the job of managing his great-uncle's estate...and his appetite. Written in diary form as *Dracula* is, this compulsively readable book has revelations that will shock and delight readers of the original. More erotic than Anne Rice, Kalogridis is a major new voice in vampire fiction. The first chilling tale in an exciting new trilogy is a rich and terrifying historical novel set fifty years before the opening of Bram Stoker's *Dracula*. At the castle of Prince Vlad Tsepesh, also known as Dracula, Vald's great-nephew Arkady is honored to care for his beloved though strange great-uncle...until he begins to realize what is expected of him in his new role. It seems that either he provides his great-uncle with unsuspecting victims to satisfy his needs, or Vlad will kill those Arkady loves. He is trapped into becoming party to murder and sadistic torture. And it is in his blood. When Arkady learns that his newborn son is being groomed one day to follow in his footsteps, he knows that he must fight Dracula, even if it means death.
