Final Coup (Executioner) Don Pendleton

With the current president on the run for war crimes, an emergency election is called in Cameroon. But will the two candidates live long enough to see election day? Assigned to protection duty, Mack Bolan soon learns the politicians aren't the only ones in danger. There's a traitor in their midst who won't stop until Bolan and his team are dead.

Ambushed at every turn and a constant target for snipers, Bolan knows that flushing out the enemy won't be easy—especially when everyone is a suspect. With millions of lives and the fate of Cameroon's government at stake, he's determined to stop the fight before more blood is shed.

With no one to trust, the Executioner knows there's only one way to beat the killers at their game: destroy them before they destroy you.
