Grace for the Journey: Practices and Possibilities for In-between Times George B. Thompson, Beverly A. Thompson

Every community of faith journeys through periods of transition. In *Grace for the Journey: Practices and Possibilities for In-Between Times*, authors Beverly and George Thompson invite congregations to open themselves to the grace-filled possibilities that accompany these in-between periods. Drawing on biblical examples and contemporary experience, the authors invite the community of faith to see transitional times as an opportunity to develop deeper spiritual awareness of God's call on its communal life--a call that opens up fresh potential even as it calls us to consider what familiar things may need to change. As pastors and teachers with experience in congregations across the country, the Thompsons serve as your travel guides, accompanying you and your congregation as you walk through the wilderness of transitional times to the hope-filled possibilities on the horizon.
