## **História & Modernismo (Portuguese Edition)** Monica Pimenta Velloso

Em História & Modernismo, Monica Velloso expõe o movimento modernista para além de seu contexto literário, apresentando as amplas relações entre literatura e música, artes plásticas e imprensa - seja no contexto das revistas, dos cronistas, seja no contexto do trabalho dos caricaturistas, defendido no Brasil pelo crítico de arte Gonzaga Duque e na França por Baudelaire. A autora analisa o contexto político do modernismo, que fez repensar conceitos de toda a sociedade, e ainda trata de aspectos menos conhecidos, como a tentativa de integração social, sobretudo a aproximação da cultura erudita com a cultura popular. Numa visão anticanônica do movimento, o examina não apenas a partir de São Paulo, mas também do Rio de Janeiro, de Minas Gerais e Pernambuco, contemplando também o contexto latino-americano.
