This book focuses on the Interactive Exercise, which forms a key part of the Police Recruit Assessment Process. The role play (as the exercise is often referred to) is traditionally the part of the recruitment test that candidates worry about most and find particularly difficult. The book clearly explains the role play process, making links to the Core Competencies and in particular examining issues of diversity. It offers a number of Interactive Exercises in the form of candidate and role player instructions and provides guidance on the completed exercises.
