Jill Kargman

**Sprinkle Glitter on My Grave: Observations, Rants, and Other Uplifting Thoughts About Life** Jill Kargman

**The star of Bravo’s breakout scripted comedy *Odd Mom Out* shares her razor-sharp wit and backhanded wisdom in a deeply observed and outrageously funny collection of musings, lists, essays, and outrages.**

From her unique lingo (things don’t simply frighten her, they “M. Night Shyamalan her out”) to her gimlet-eyed view of narrow-mindedness, to her morbid but curiously life-affirming parenting style, Jill Kargman is nothing if not original. In this hilarious new book, the sharp-elbowed mother of three turns her unconventional lens on life and death and everything in between, including

- the politically correct peer pressure she felt from the new moms in her hood, the women who provided the grist for the mill of her hit television show
- the evolution of her aesthetic from *Miami Vice* vibrant (a very brief flirtation) to Wednesday Addams-meets-rocker chic
- her deep-seated New Yorker’s discomfort with moving vehicles that *aren’t* taxis and subways (a.k.a. “suburban panic disorder”)
- the family obsession with reading obituaries for their medical revelations and real estate news value
- the reasons why, in a land of tan-orexic baby-oil beach bakers, she chooses to honor the valor of her ghostly pallor

From a hellish visit to the Happiest Place on Earth to her unusual wedding night with Russell Crowe to her adrenaline-pumping Gay Pride parade experience, *Sprinkle Glitter on My Grave* is as wonderfully indecent and entertaining as a spring break road trip with your best friend. Assuming your best friend is the kind of gal who still wears a motorcycle jacket to pick up the kids at school.

## **Praise for Jill Kargman’s *Sometimes I Feel Like a Nut***

“Please welcome the new David Sedaris, not that the old one is broken or anything. It’s just that Jill Kargman . . . provides the same gut-splitting reading pleasure.”—*Los Angeles Times*

“Edgy, addictive, and relatable.”—*The Daily Beast*

“A smart, pocket-sized delight that artfully engages the funny bone.”—*Kirkus Reviews*

“With her sense of irony and humor, Ms. Kargman laughs at moments others might cry over. . . . *Sometimes I Feel Like a Nut* is more than funny, more than insightful and more than a guilty read.”—*New York Journal of Books*

## **Praise for *Odd Mom Out***

“The smartest piece of anthropology on cable—and something to make TV fans grateful that something so

specific and deeply thought-through can exist in the shallow end of cable's pool.”—*Time*

*From the Hardcover edition.*

#### **Louise Perez:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Sprinkle Glitter on My Grave: Observations, Rants, and Other Uplifting Thoughts About Life can make you really feel more interested to read.
