When Esti Legard starts theater school on Cariba, she's determined to step out of the shadow of her late father, a famous Shakespearean actor. But on an island rife with superstition, Esti can't escape the darkness. In the black of the theater, an alluring phantom voice-known only as Alan-becomes her brilliant drama tutor, while in the light of day Esti struggles to resist her magnetic attraction to Rafe, the local bad boy. Toppled sets, frightening rumors of jumbee ghosts, and brewing tropical storms culminate in a tantalizingly spooky finale where romance sizzles and truths are unmasked.

Laced with eerie mystery and the lush scenery of the West Indies, this modern Phantom is perfect for readers who like their love stories served with spine-tingling suspense.
