A collection of the best stories shared throughout the 114 years of Field & Stream magazine, about big game, loyal friends, and the respect that nature commands.

From the absolute authorities on outdoor sports and adventure who have earned a reputation for quality writing, plus classic tales from literary greats, *The World's Best Hunting Stories* brings together the most talented, engaging, and experienced voices to share their stories from the field

If there's one thing hunters and non-hunters alike can share, it's the love of a good story. From the annals of the world's leading outdoor magazine comes this collection of the Field & Stream editors' favorite true-life tales: record harvests and sassy trail guides; bear drives and dicey bowhunts; fond (and surprising) memories of a first elk hunt; poachers in Africa; caribou on tribal lands; replicating moose mating calls; and the one that got away.

With chapters entitled, "The Way of the Hunter," "The Thrill of the Kill," and "Off the Beaten Path," there's a story for every hunter, outdoorsman, and adventure enthusiast.
