**An award-winning, honest novel about the consequences of bullying and suicide.**

Noelle's life is all about survival. Even her best friend doesn't know how much she gets bullied, or the ways her mom neglects her. Noelle's kept so much about her life a secret for so long that when her longtime crush Julian Porter starts paying attention to her, she's terrified. Surely it's safer to stay hidden than to risk the pain of a broken heart. But when the torment of a friend takes a dramatic turn, Noelle realizes it's time to stand up for herself...and for the love that makes her keep holding on.

*Keep Holding On* is an empowering, resonant story that will inspire readers to stay strong and never give up.
