Lucifer's Wedding James Musgrave

Miriam Weinstein and James Duvalier are cops with a difference. As psychic investigators for the San Diego Police Department's Paranormal Psychology Unit, they are acutely familiar with the underworld of the occult. But nothing can prepare them for the unimaginable forces about to confront them. Satan's time is at hand, and Miriam Weinstein bears the pentangle mark of his chosen bride. As the dead begin to rise, and the forces of good and evil rise up in anticipation of the final battle, the union known as the Black Wedding must be stopped at all costs. Lucifer's Wedding, the latest novel from award winning author Jim Musgrave, is an intelligent and blood-curdling chiller that takes us into the dark netherworld of the occult.
