Joyce Carol Oates

Mujer de barro (Spanish Edition) Joyce Carol Oates

Una gran novela de Joyce Carol Oates, autora de *La hija del sepulturero*, que explora el precio a pagar por ser una mujer de éxito en el siglo XXI.

Abandonada por su propia madre en la ribera del río Black Snake, la pequeña «niña de barro» sobrevive gracias al azar, o quizá al destino. La bienintencionada pareja que la adopta procura sepultar su pasado. Pero el pasado siempre vuelve.

Meredith Neukirchen es la primera mujer que accede al rectorado de una de las ocho prestigiosas universidades de la Ivy League. Una mujer volcada en su carrera profesional y con un fervor moral muy absorbente. Sin embargo, en plena emergencia de una crisis política y en el transcurso de una prolongada relación sentimental secreta, Meredith se topa con una serie de amenazas a su liderazgo que la pondrán a prueba como ella jamás hubiese sospechado. Más tarde, deberá enfrentarse a aquella «niña de barro» que creía haber dejado atrás para siempre. ¿Cómo escapar cuando la inteligencia y el idealismo feroz que antaño la liberaron ponen ahora en peligro su presente?

La crítica ha dicho...

«Una novela llena de fuerza, hipnótica, que sugiere que olvidar el pasado quizá sea el elevado coste que exige el éxito.»

The New Yorker

«Novela extraordinariamente intensa y evocadora... Oates ha creado un drama incisivo y electrizante sobre nuestra profunda conexión con el hogar, la persistencia del pasado y las batallas de una superviviente en estado de sitio interior y exterior... Una gran novela lista para la polémica.»

Booklist

«Su novela más abiertamente política. Al tiempo colosal y detallista, cerrada y expansiva, épica e íntima.»

Scotland on Sunday

«Una perturbadora exploración de la propia intimidad... que le mantendrá absorto hasta el final.»

Washington Independent Review of Books

«Un libro para levantarnos del asiento...»

Buffalo News

«Joyce Carol Oates es una de las más grandes escritoras del último medio siglo. Con su prosa incisiva y acerada, bella en su aparente frialdad y sensible a pesar de su tremenda crudeza, la norteamericana es autora de muchos cuentos y varias novelas sobresalientes... Una leyenda viva de la literatura.»

Daniel Martín, *República.com*

«Joyce Carol Oates se ha convertido en una de las principales fuerzas elementales de la novela norteamericana, un diablo de las profundidades... Hace unos cuarenta años, Oates confesó su ambición de contener el mundo entero en sus novelas, una ambición que denominó "irrisoriamente balzaciana". Bien puede ser que a ella se lo pareciese entonces, pero aquí no se ríe nadie ahora.»

Henry Louis Gates Jr., *The Nation*

«Si aún no has leído nada de la señora que acabará robando el Nobel a sus colegas masculinos, empieza por cualquiera de sus títulos. Alfaguara está desenterrando el tesoro.»
Carlos Zanón, *Avui*
