## **Preaching from Memory to Hope** Thomas G. Long

In this compelling and hard-hitting book, respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today. The issues, he says, are fourfold: the decline in the quality of narrative preaching and the need for its reinvigoration; the tendency of preachers to ignore God's action and presence in our midst; the return of the church's old nemesis, gnosticism--albeit in a milder form--evidenced in today's new "spirituality"; and the absence of eschatology in the pulpit.
