A documentary crew has descended upon Westside Middle School to detail the life of an average seventh grader named Trevor Jones and his classmates. Using one-on-one interviews and film footage, as well as notebook drawings, blueprints, clipboard sketches, and doodles, they will tell the story of one school's tricked-out makeover. Say good-bye to those squeaky seats, and hello to...beanbag chairs? Find out what happens when a second film crew arrives and Trevor is forced to confront his no-change policy to help his best friend, Libby Gardner, trick out their school. When the paint finally dries, it will be epic.
