Drinking games are a pastime that bring out the best (and worst) in party-goers—a crossroads where fierce competition and drunken abandon meet. *The Sh\*tfaced Games* takes the tradition to the next level by giving average folks their own chance to compete with their friends at something they're good at: drinking.

In the spirit of the Olympiad, this book presents fifty drinking games from around the world from Ice Rink Drink to Alcohol Archery, and each is given a rating of bronze (“tipsy”), silver (“drunk”), or gold (“completely sh\*tfaced”) to help readers figure out exactly how drunk they are bound to get. The games are interspersed with commentary from stand-up comedian HogWild, drinking trivia, Games-inspired cocktail recipes, and a handful of illustrations throughout.
