## Create Your Own Animal Stories (Create Your Own Stories Doodle Books)

Kids will enjoy hours of quiet-time fun with this unusual doodle book. It tells a series of brief, entertaining, but incomplete stories about several animal friends, using unfinished line drawings and sentences with missing words on every page. Boys and girls are encouraged to use their imaginations by drawing new details into every picture, and filling in the blanks in all the accompanying sentences. That way, kids can decide for themselves about the things that happen in every story. Here are unfinished stories about Lex the Lion Cub, Noah the Polar Bear, Kenny the Koala, Danny the Dolphin, and Penny the Puppy. There is also plenty of space for doodling in every page-size illustration, along with different words to choose, so that kids can decide the outcome of every story.
