Deified Person: A Study of Deification in Relation to Person and Christian Becoming Nicholas Bamford
Deified Person: A Study of Deification in Relation to Person and Christian Becoming focuses on a theological exploration of “person” through the notion of deification and is placed within a Christian Orthodox–Byzantine context. The book offers new interpretations of person in relation to Christian becoming while at the same time exploring some of the difficult avenues of Christian theological developments. Nicholas Bamford encourages theological inquiry, and the book will appeal to those who wish to challenge ideas and push the boundaries forward.
