Consider Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find The Perfect Consider Quotations For All Occasions - Spicing Up Letters, Speeches, And Everyday Conversations. Heather Mcintyre

This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote.

Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote.

To feel the impact a Quote can have, here are three Consider Quotes from this book:

'I consider myself to be a good guy so it's not hard for me to play that. - Seann William Scott'

'I'm a little bit more unusual so I consider myself as the black sheep. - Ann Wilson'

'I am indeed amazed when I consider how weak my mind is and how prone to error. - Rene Descartes'

Three characteristics—one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words—are the same three principles that define how an idea takes off, or a product goes viral.

Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't.

This book will give you the opportunity to find that right Quote that can change it all.
