Até que ponto é possível ter controle sobre a própria vida?

Cíntia tem 38 anos e trabalha como jornalista em uma consagrada revista feminina. Entediada com a profissão e cética diante da solidão que marca a sua vida pessoal, decide viver focada em si mesma e cria um projeto espiritual de acostumar-se com pouco e encontrar prazer nas pequenas coisas do cotidiano.

Esse frágil equilíbrio é colocado à prova, no entanto, quando sua melhor amiga lhe apresenta um conhecido recém-separado. Ao mesmo tempo, na redação surge o desafio de realizar uma série especial de entrevistas com celebridades e ela não pode recusar.

Contrariando suas próprias regras, Cíntia se apaixona. Enquanto redescobre a adrenalina no amor, se envolve com suas reportagens e percebe que, à medida que as matérias são publicadas, seus entrevistados sofrem contratemplos ou acidentes que os obrigam a mudar de planos.

Cíntia compartilha com o leitor dúvidas e conflitos íntimos diante da realidade, buscando uma explicação lógica para os acasos que parecem insistir em interferir nos acontecimentos. E não desiste nunca da busca por um caminho seguro para seguir em frente, apesar da consciência de que nada pode garantir seus acertos.

From reader reviews:

Jacob Roberts:

In this 21st one hundred year, people become competitive in every single way. By being competitive today, people have to do something to make these people survive, being in the middle of the crowded place and notice by simply surrounding. One thing that often many people have underestimated the idea for a while is reading. Sure, by reading a reserve your ability to survive boost then having chance to stand than other is high. For yourself who want to start reading any book, we give you this kind of Descaso do Acaso (Portuguese Edition) book as nice and daily reading book. Why, because this book is usually more than just a book.

Christopher Jones:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era and that is always change and advance. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know which one you should start with.
