Perspectives in Professional Child and Youth Care: Pt. 1 (Child & Youth Services Series) James P Anglin, Jerome Beker

Here are the information, ideas, and inspiration that will help child care workers in their daily struggle to provide better care for children, youth, and families. Perspectives in Professional Child and Youth Care is a much-needed sourcebook of readings on the current state of the art of professional child and youth care in North America. Some of the leading practitioners, academicians, researchers, and administrators provide a "child care perspective," writing about what they--on the front lines--perceive as the most pressing issues and significant topics in the field today, including the nature of child and youth care, current issues in education and training, therapeutic program issues, key support functions in child and youth programs, the changing work environment and new roles, and developing professionalism in the field of child and youth care. This enormously insightful book will be valuable for use in academic courses and training workshops, as well as for individual child and youth care professionals and practitioners from related disciplines.
