## **The Politics of Christian Zionism 1891-1948** Paul C. Merkley

For this book Professor Merkley has researched presidential archives, Jewish historical libraries and official Zionist records in the US and in Israel for evidence of the dealings between official Zionists and active Christian Restorationists. Much of this record appears here for the first time in print and is linked to the much better known history of the relationship between the official Zionists and the politicians and leaders of the US and Britain.
