The Ten Commandments Dr. Laura Schlessinger, Stewart Vogel

The Ten Commandments are the first direct communication between a people and God. Designed to elevate our lives above mere frantic, animal existence to the sublime levels humanity is capable of experiencing, they are the blueprint of God's expectations of us and His plan for a meaningful, just, loving, and holy life. Each commandment asserts a principle, and each principle is a moral focal point for real-life issues relating to God, family, sex, work, charity, property, speech, and thought. Written in collaboration with Rabbi Stewart Vogel, *The Ten Commandments* incorporates lively discussion of the Bible and the Judeo-Christian values derived from it. Filled with passion, emotion, and profound insights, it will move, enlighten, inspire, entertain, and educate you on the meaning each commandment has in our daily lives today:

1. I am the Lord, your God, Who has taken you out of the land of Egypt, from the house of slavery.
2. You shall not recognize the gods of others in My presence.
3. You shall not take the Name of the Lord., your God, in vain.
4. Remember the Sabbath day and sanctify it.
5. Honor your Father and your Mother.
6. You shall not murder.
7. You shall not commit adultery.
8. You shall not steal.
9. You shall not bear false witness against your fellow.
10. You shall not covet.

From reader reviews:

Paul Otoole:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each reserve has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their time to read a book. They are really reading whatever they take because their hobby is definitely reading a book. What about the person who don't like studying a book? Sometime, particular person feel need book after they found difficult problem as well as exercise. Well, probably you will require this The Ten Commandments.

Jake Harris:

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want feel happy read one using theme for entertaining like comic or novel. Typically the The Ten Commandments is kind of e-book which is giving the reader erratic experience.

Henry Carlino:

Reading a book for being new life style in this 12 months; every people loves to examine a book. When you learn a book you can get a lots of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The The Ten Commandments offer you a new experience in studying a book.

Jesica Simon:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything you want. A book is a range of written, printed, illustrated or blank sheet. Every year had been exactly added. This guide The Ten Commandments was filled regarding science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a book. If you know how big benefit from a book, you can feel enjoy to read a reserve. In the modern era like now, many ways to get book that you simply wanted.
