## **Truly Criminal: A Crime Writers' Association Anthology of True Crime** Martin Edwards

Truly Criminal showcases a group of highly regarded, award-winning writers who all share a special passion for crime, which is reflected in this superb collection of essays re-examining notorious cases from British criminal history. Among these real-life crimes, famous and forgotten, are such notorious cases as Samuel Herbert Dougal, the Moat Farm murderer; George Joseph Smith, the Brides in the Bath killers; and Dr Hawley Harvey Crippen, one of the most infamous killers in British history. Featuring a dazzling list of contributors, including leading crim novelists Peter Lovesey, Andrew Taylor and Catherine Aird, as well as 2013 CWA Crime Non-Fiction Dagger winner Paul French; a bonus essay by the late great Margery Allingham about the controversial William Herbert Wallace case has also been rediscovered. With a foreword by international best-selling writer Peter James, this collection will thrill lovers of true-crime writing.
